

# EZ Fabric Counter—QUICK START INSTRUCTIONS

1. Lay EZ Fabric Counter frame out.

2. Connect the four poles to one of the sides until they snap together.

3. Connect the other side to the poles.

4. Rotate frame 90 degrees.

5. Find the holes located on the sides. This is for mounting the top piece.

6. Slide stretch fabric over frame.

7. Reattach the velcro bottom portion of the fabric.

8. Place top piece on.

9. Connect the top piece with the two provided bolts.
